PETITION TO REVIVE - FAILURE TO REPLY UNINTENTIONAL

SIR:

An Office Action was issued on October 20, 2004 in the above-identified patent application. Applicant failed to respond to the Office Action within the six-month term expiring April 20, 2005. Accordingly, Applicant hereby petitions to revive the application based on the grounds that the failure to reply was unintentional. The required reply, a response to the outstanding Office Action, is enclosed. Applicant submits that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional.

Enclosed is a check in the amount of \$1830.00 to cover the petition fee of \$750.00 (for a small entity) and the response extension fee of \$1080.00. If further fees are required, please charge our Deposit Account No. 503342.
